#3 La Serenidad: a generously sized 1-bedroom/ 1-bathroom condo featuring a bonus den. The living area and kitchen are spacious with an open plan arrangement, and lead to a sizeable bedroom. The den area, a rare find, includes built-in shelving and desk space, making it an ideal home office or additional bedroom. Upgrades include: - Modern appliances - New flooring throughout - Conversion of bath into a walk-in shower - Accent tiled wall in living room - AC unit replaced within the last three years - A charming built-in window seat - Attic conversion into a functional den area A thoughtfully designed deck area overlooks beautiful gardens and provides a perfect spot to enjoy cool afternoons among the surrounding fruit trees. The property is situated in a charming complex within a peaceful neighbourhood. Inventory at this price point, for a unit of this size with the additional den space, is very limited, so we expect this unit won't last long.
